To The Class of '64

One of the major characteristics of the Neptune student is ENTHUSIASM. It is sustained enthusiasm that adds sparkle to our lives. Enthusiasm is the dynamic of personality. Without enthusiasm, the abilities a person possesses lie dormant; they are not put to use.

Everyone has more latent ability than he ever learns to use. He may have wide knowledge, sound judgement, and good reasoning powers; but no one — not even the person himself — will ever get to know his possibilities until he discovers how to put his heart into thought and action. Right there is the basic principle of achievement.

Along with my best wishes for the members of the class of '64, goes the single reminder that genuine and sustained enthusiasm, for whatever work you will perform in the future, is the hallmark of the outstanding person.

God Bless You All

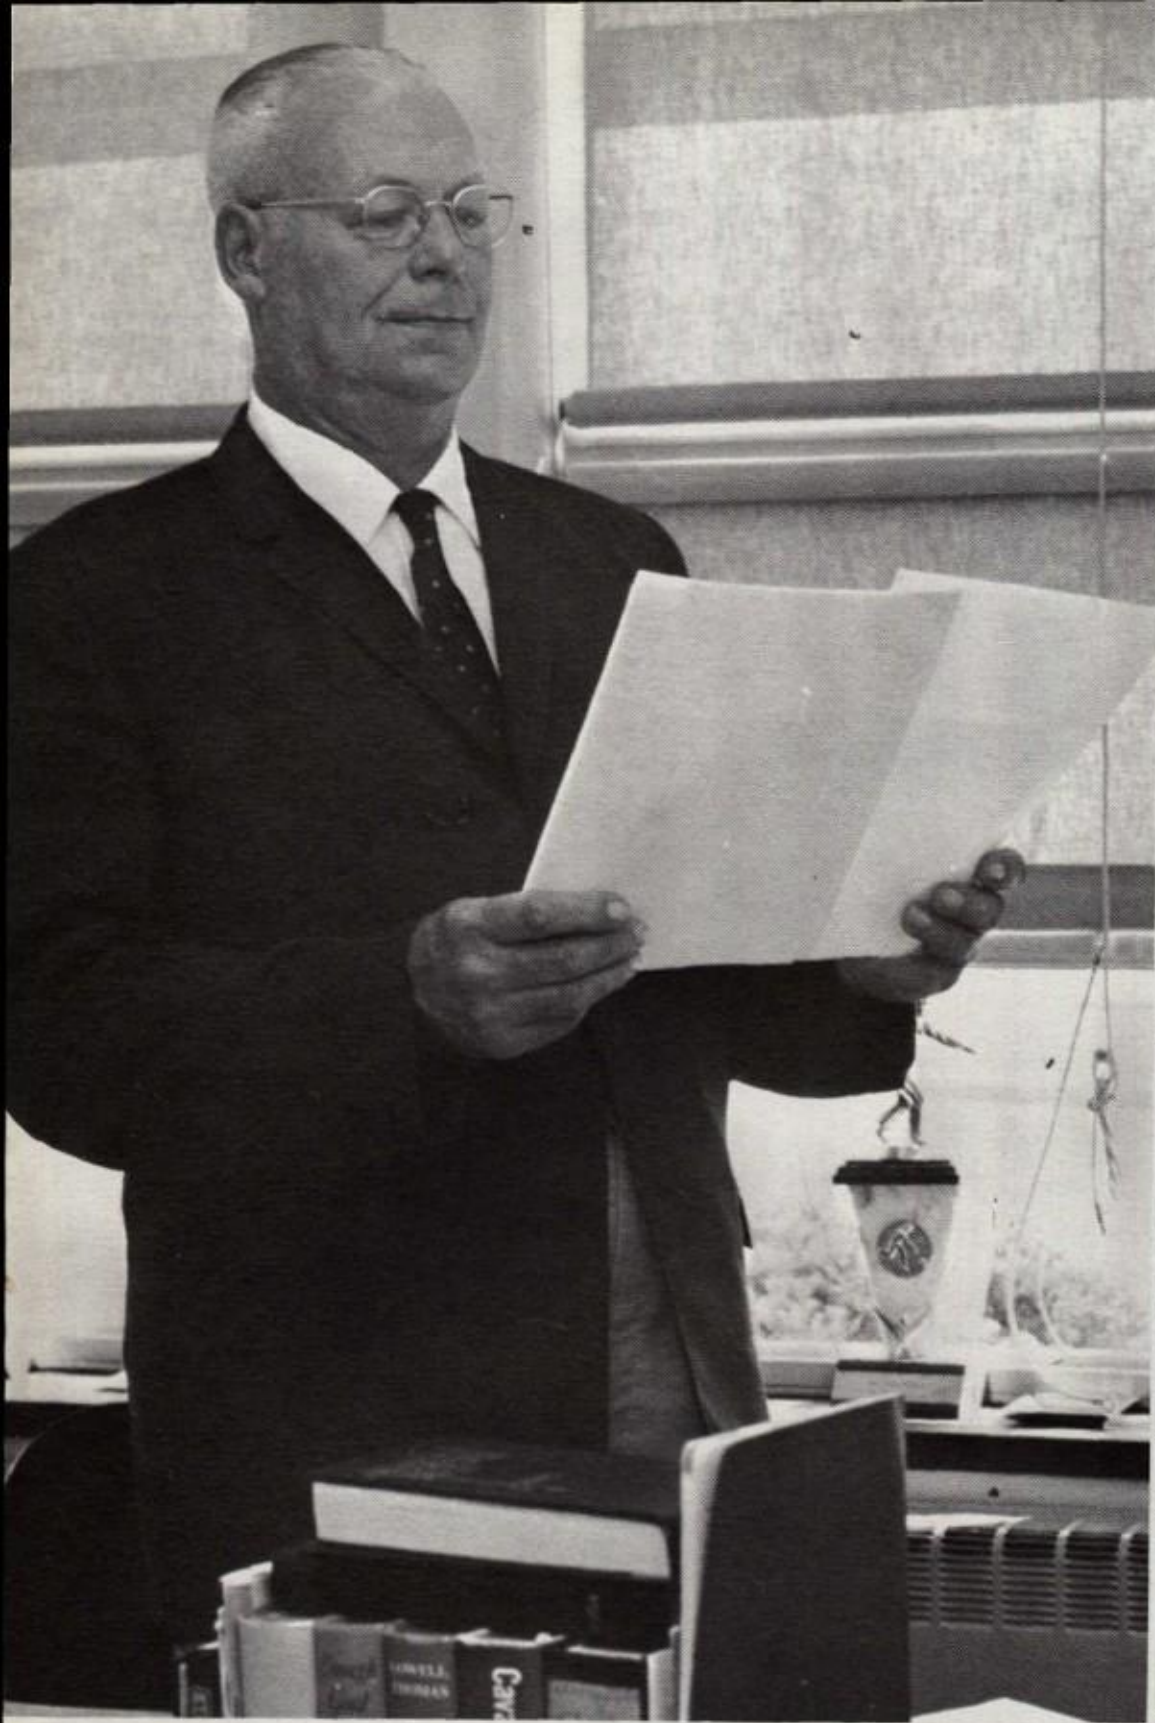

V.J.W. Christie

November 27, 1963

We, at Neptune High School, realize that the world today offers a tremendous challenge to the students graduating from our school. We have endeavored to present a broad curriculum attempting to satisfy the individual needs of our students. We feel you have taken advantage of the opportunity and are well equipped to face the future. How an individual applies this knowledge to situations concerning him is a true test of his education. We have confidence in this class and are proud of the part we played in your development.

Harriers in

Joe LaCasse, Coach Ryan, and Tom Johnson discuss meet.

Neptune's Cross Country team for the 1963 season is building for a winning season in 1964. With two juniors on the varsity and many other promising Harriers, the outlook for Neptune's Harriers next year is excellent. Although the club failed to win this year, it still placed fifth in the Shore Conference. Outstanding seniors this year were; Joe laCasse, Tom Johnson, and Ernest Plumer. The players to watch next year will be; Gordon Orgler, Drew Williamson, Bob Turner, and Jimmy Jones. Coach Ryan looks for a promising 1964 season.

Soccer Team

Neptune was the powerhouse of the shore in soccer again this year. Among the honors this year's team earned were; an undefeated regular season, Southern Division Champs, Shore Conference Champs, and state honors. Under the guidance of coaches Morrison and O'Brien the team made it to the third round of the State Tournament. The team's skill and determination was shown many times when they came from behind to win. Neptune looks forward to another championship team next year.

Conquers Conference

Neptune's 1963-64 Scarlet Fliers 8-1 record was the best in the shore and earned them the Shore Conference crown. The team was carried throughout the year by its undying team spirit and the fine runs of Ricky Hopkins. The year was highlighted by the defeats of Brick (its first loss in 34 games) and Asbury (The first time in 35 years).

Neptune Downs Asbury Park 13-7

"Coach of the Year," John Bednarik, advises Ted Beekman.

VICTORY! After thirty-five years of grit and determination the Scarlet Fliers finally crashed through the Bishops' line and triumphantly scored a 13-7 win over the frenzied Asbury Park team.

The first half was a scene of hard-nose blocking and tackling, with Asbury controlling the ball. With little time left Neptune stopped just short of the goal line and the first half ended with a tie score of 7-7.

Neptune controlled the ball in the second half. The climax came when Hopkins scored the winning touchdown with a spectacular run and no time left on the clock.

Following the victory, the jubilant crowd broke into a chaos during which the coach, team, cheerleaders, and several spectators were thrown into Sunset Lake.

Ricky Hopkins makes a gain for Neptune.
